

Making active efforts

to keep Aboriginal and Torres Strait Islander children safe and connected to family, community and culture

We will:

- **respect and understand** your culture
- make sure you can **have your say**
- **listen** to what you say before we make decisions
- work with your local community-controlled organisations so your family gets the **right help at the right time.**

If you feel we're not making active efforts, you can talk to your Child Safety Officer about what we can do to help you.
